

ENTRY REBATE FAQs

What is the 'Free Swim' Initiative?

Free swim is a fundraising initiative where if you fundraise \$500+ for the Malabar Magic, the cost of your entry fee will be rebated to you, giving you a free swim!

Who do I contact if I need fundraising support?

Our fundraising partner is GoFundraise. If you have any questions to do with your fundraising page, you can contact them by logging a ticket [Support Requests](#) or using their [Helpdesk](#).

How do I claim the Run for Free rebate?

Once you hit \$500 on your individual Fundraising Page, you'll receive an email with a link to claim your Free Swim rebate. Fill out the form linked to that email and Malabar Magic Committee will be notified and refund the entry fee to you so that you can have a free swim. You will need to claim your rebate by February 7, 2020. If you don't claim your Free Swim rebate by that date, you will no longer be able to claim the refund.

Pay it Forward...

Now you have your Free Swim rebate available. You have the choice to either receive your rebate or have the cost of your entry transferred to your fundraising total. Every participant that pays it forward will go into a lucky draw prize to will be presented on the day of the swim by the Malabar Magic committee.
